## THE DUNGEON BUILDING CARD GAME

*Inspired by classic video games, Boss Monster™ challenges you to become a villain, build a dungeon, lure in adventurers, and destroy them!*

Boss Monster™ is a standalone card game that challenges 2-4 players to become videogame-style villains and build deadly side-scrolling dungeons. Players compete to see who can lure in and destroy the most adventurers. But beware! You must make your dungeon as deadly as it is attractive, or the puny heroes might kill you first!

Independent publisher Brotherwise Games launched Boss Monster™ via crowdfunding site Kickstarter.com, where it raised \$215,000 in pre-orders within 30 days. Since its U.S. launch in July 2013, Boss Monster has sold over 25,000 units!

Now being printed by Cartamundi, USA, the newly revised edition of Boss Monster is ready to take your game store by storm with a simplified rulebook, a new quickstart guide, and larger card text. Order now so your customers can find out who has what it takes to become the ultimate Boss Monster!
