

FIGPiN™

authentic, licensor approved sources provide iconic pop culture heroes that fans love in poses that they know

every line and detail meticulously hand crafted to provide superior artwork

the patent-pending FIGPiN rubber backer literally elevates the pin into a heroic figure

unmatched jewelry like quality adds perceived value and makes hero out of any character you can imagine

stands tall at 3 inches, much more grand than standard pin designs

encased in an elegant museum style display package and stand for optimal display

clear post keeps pin steady for shipping and display

decorative licensed backer card gives context and environment to character
