

## DESTROY THE DRAGON AND RETURN ARCADIA TO REALITY!

Chaos rules the universe, and now it's looking to rule Arcadia with the arrival of the Chaos Dragon. The laws of nature will be broken and the very fabric of reality could cease to have meaning.

The Chaos Dragon box allows players to extend any *Arcadia Quest* campaign. The battle starts in the skies, but once the Dragon is grounded, he shifts the landscape, changes upgrades, and plays with the Heroes' perception of reality. Holding on to their sanity is just as important as holding on to their life.

REQUIRES THE *ARCADIA QUEST* OR *ARCADIA QUEST: INFERNO CORE* GAME TO PLAY.

**Street Date: Apr. 21, 2017**
