

PLASTIC WOUND PACK

CMON WOUNDS PACK

Whether players are tackling the fantasy monsters overrunning the streets in Arcadia Quest or saving the world from Sin in The Others, the new Wounds Pack offers an upgrade to the standard cardboard wounds tokens found in those games. These 3D-sculpted plastic tokens can also be used in games of Dark Age, Wrath of Kings, Rum & Bones, or any other board game that involves wounds tracking. Players will be gaming in style when these tokens hit the table.
