WARDROBE CARDS

These randomly inserted cards contain pieces of fabric used to make the lavish costumes in the show over various seasons. They are truly timeless!

CHASE CARDS

CHASE 1: "KIDS & CRITTERS" (9 CARDS)

This set celebrates the roles young kids and lovable critters play in the show. Each card gives additional information related to the character on the card front. Do you know why Ian is called "Wolf's Brother"?

CHASE 2: "TIME TRAVELERS" (9 CARDS)

This nine-card set revolves around favorite characters known to time travel. Standing stones, an inherited trait, sometimes fire, and (it's believed) a precious gemstone to keep the bearer safe are all required to make the journey.

Quotes related to these characters and insights into particular scenes are featured on the backs of these cards.

CHASE 3: "STAND FOR ALL" PUZZLE CARDS

(9 CARDS)

"Stand for All" is the text appearing across this subset that is perfect for sleeving in a binder. Once completed, a grand image of a torch-

bearing Jaime is revealed as he stands with Claire in front of the soon-to-be-lit straw cross as the sun sets behind them.

CHASE 4: "NEVER MY LOVE"

(9 CARDS)

These cards showcase Claire's fantasy world as she detaches herself from a brutally violent attack from a gang of men. Within Claire's safe place is most of her family at a Thanksgiving dinner. The card fronts reveal the characters in 1960s dress, and the backs show "Easter egg" nods to previous episodes, like the orange or the blue vase. Do you know the meaning behind these items?

BASE CARDS

The Base Set for the release includes a variety of episodic images from Season 5 of the TV show.
