Contents Summary

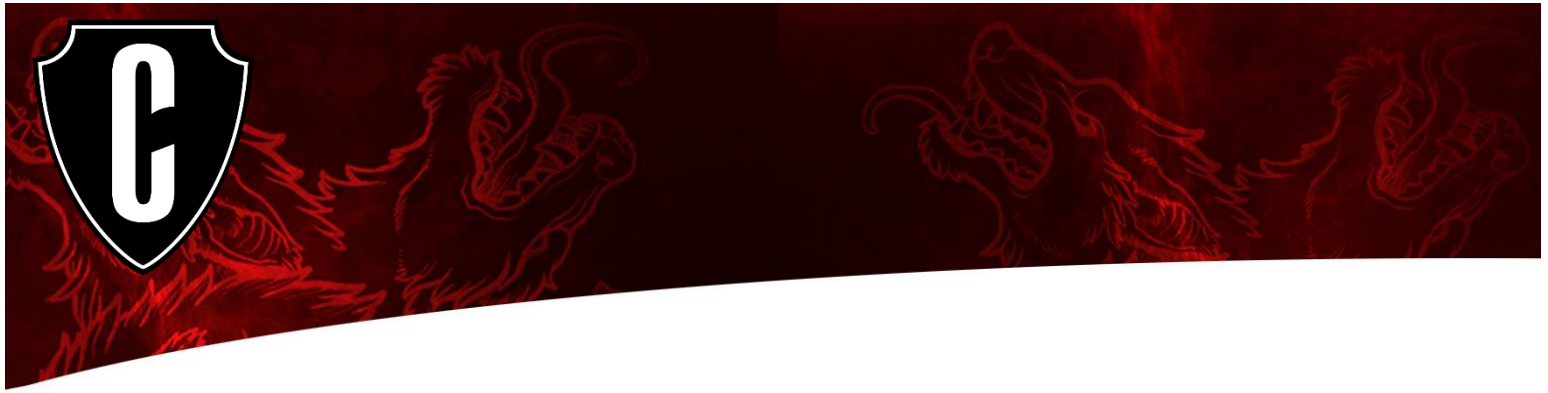

- 148 Game Cards
- 6 Oversized Character Cards
- Rulebook

Following the success of the original *Cartoon Network Crossover Crisis Deck-Building Game*, more of Cartoon Network's classic characters, past and present, are joining the fray! This standalone game is not only a great introduction to deck-building, but also a fantastic expansion for the original set.

The new "Wonder" keyword brings a childlike sense of, well, wonder to the game as the ability allows players to play a card off the top of the main deck. You never know what you'll get ... except for a fun time and lots of surprises! The card you play goes straight to the Line-Up, so if you liked the effect, you can buy the card immediately. The more cards you have to choose from, the better!
