New Valhalla Cluster Booster Packs Set 2

Product Name	The Strangers of New Val hall a		
■ "The Strangers of New Val hall a" Outline			
Continuing the design philosophy from the first set, rulers will not be included within New Val hall a's second set "The Strangers of New Val hall a". The card distribution rate will also take after the first set, being easier for players to collect four copies (a playset) of necessary cards. As for characters, everybody's beloved Alice will be making a long-awaited reappearance. Also making a reappearance will be the newly unsealed Athena, a character undoubtedly familiar to long-time veterans of Force of Will. What battles lie in wait for these two girls?			
■ Contents			
SR 10 , R 20, U 30, C 40, SEC ???			
Enclosed within the box will be a basic ruler pack containing: Two copies of each three sealed format rulers, six copies of each basic magic stone, and a promo card.			
Sealed and Draft formats are supported this set. Make pack opening itself a game!			
Included are cards that synergize well with cards from the now on sale "New Val hall a Cluster Starter Decks".
