

## NUCK TATS Game

NUCK TATS are messages tattooed on someone’s knuckles. If it fits, anything goes. Each round, one player reveals a customer—a celebrity, character, mythical creature, whoever—and everyone else writes NUCK TATS for that customer. The best tat wins the round. And if your friends make you laugh, feel free to throw them a tip. It’s that easy!

## Interesting Gameplay Features

- Original game concept sparks creativity and laugh-out-loud moments.
- 250 cards prompt endless options, including blank cards to write your own.
- Tip cards keep everyone involved, and let multiple players score points each round.
- Tattoo-inspired artwork and custom “Nuck” boards bring style and flair to your table.
