

GOLEM ARCANA

URUGAL CABAL OF THE ONYX CLIFFS

HBS-GA112

Cabal of the Onyx Cliffs includes three new Urugal Golems to be used in any Golem Arcana Army. The expansion set includes a Warsprite, Ogre, and Titan class Golem.

- **The Crypt Tick**, A quick Warsprite that can leech health from its enemies, or destroy itself to deal damage equal to its health.
- **The Marrow Witch**, A bewitching Ogre, the Marrow Witch curses her enemies with a stacking damage over time attack.
- **The Relentless Brute**, A rampaging Titan, every hit reduces its cooldowns by one, allowing it to pummel its enemies continuously.

Also included are four new Relic Cards:

- **Dusaka-Lul's Blade**, that causes an a Golem's attack to siphon mana;
- the **Noose of Akhir**, that summons a phantasmal gallows;
- the **Ossetic Parasite**, that attaches to an enemy Golem causing it to damage itself whenever it hits with an attack;
- the **Onyx of Jhosa-Lata** which will cause a mana well to explode.
