## One Sentence Summary:

Sushi Boat is the fast, fun party game that's guaranteed to make you hungry! Compete against other players to swipe the most sushi.

## Elevator pitch:

Sushi Boat is a worker-placement style game with a high-quality wooden board and molded dishes. Gameplay revolves around different sushi traveling along the conveyor belt around the board. Players place their workers to try and collect various plates for scoring. Don't wait too long in grabbing your dishes or they might slide right off the belt into the trash! You'll employ a variety of tactics in how you choose what actions to take, what cards to play, and when. Gain the best collection of dishes consumed to win!

## Unique Selling points (USPs):

- **Strong Table Presence** - Gorgeous and eye-catching art, and high-quality components featuring a dynamic, wooden game board that changes as sushi is eaten and added, with delicious-looking sushi molded dishes on the plates and yummy side dishes.
- **A family friendly set collection game** - It's a light family-friendly game in both theme and mechanics. And in doing so, captures the fun of board gaming
- **Easy to Teach & Learn** - Sushi Boat is easy (and fun!) to learn, even for younger gamers, but can prove challenging enough to keep gamers of all ages coming back for another serving.
- **Replayability** - An innovative, tasty and fun game with tons of replayability and an optional rule, Menu Pairings to get things HOT!
