Short Synopsis

The hidden village of Konoha, home of the Leaf ninjas, is preparing to send its best students to take the Chunin exams, a grueling series of fights and tests that will determine the future of shinobi influence on the rest of the world. And of course, the best way for ninjas to practice their skills... is with a ninja brawl!

Join Naruto and his friends as they compete to determine who will be the best fighter in Konoha village. Throw the dice and be attentive, fast, and smart to unleash your hero's most powerful combos. Each character plays differently, but only one will be the best Ninja...

One Sentence Summary:

Unveil the right chakras to unleash the right techniques in this roll and clash game! and become the best Ninja in Konoha Village.

Elevator pitch:

Naruto Ninja Arena is the first game using the Roll & Clash system. During the game, you throw your dice as quickly as you can and use the results to activate Techniques without stopping the game. Everyone plays at the same time in a frantic battle to be the last Ninja Standing!

Unique Selling points (USPs):

- **Strong License** - Based on the legendary Anime.
- **Easy to Teach & Fun to play** - Simple rules and fast-paced game for the entire family. First game using the Roll-&-Clash system, everybody plays at the same time with a different character.
- **New Edition** - Same game with only 4 different characters from the Anime (vs 10 characters in the Deluxe Version) in a smaller box and cheaper.

Contents:

- 1 rulebook
- 4 double-sided Ninja boards
- 4 double-sided Power tiles
- 1 Bite token
- 2 Snakes token
- 1 Guy's coin token
