Welcome to the NFL Five Trading Card Game where you can collect and play with your favorite NFL stars and rookies!

NUMBER OF PLAYERS: 2
AGE: 9+
GAME TIME: 20-30 minutes
TCG EXPERIENCE LEVEL: Intermediate

KYLER MURRAY - ROOKIE

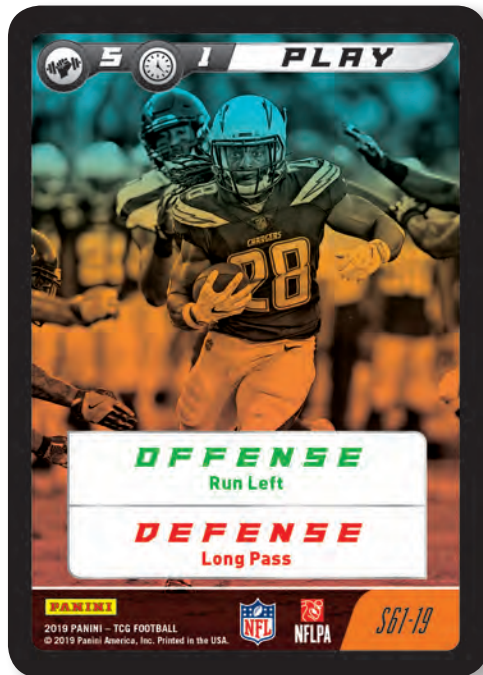

SAQUON BARKLEY - PLAYER

GAMEPLAY OVERVIEW:

Unlike previous sports TCGs, the NFL Five game brings traditional trading card elements to the gridiron.

Field your best 10 players (5 offense and 5 defense) and battle it out with your opponent to see who can score the most points.

PLAY CARD

NO HUDDLE - ACTION

Move up and down the field by calling plays face-down. After each player has called a play, reveal them and determine if the play was successful or stopped (stopped if the defense calls the exact same play as the offense).

Once a play is successful, you can use player abilities and other card effects before gaining yardage.

Each play takes time off the clock until it reaches 0, which ends the half. Play two halves of football and the winner is the player that scored the most points!
