Our latest Q-Fig diorama combines two of Deadpool's very favorite things: unicorns and oversharing on social media.

Outfitted in his traditional red suit, The Merc with The Mouth surrounds himself with plush unicorns and, holding up his cell phone, struggles to get the perfect angle of him and one of his fuzzy friends.

The image of Deadpool and plushie can even be seen on his smartphone's screen.

**Territory restrictions are subject to change. For an updated list of restrictions, please contact your sales account representative. Failure to comply with the terms of our agreement with result in termination of partnership.
