## Fast Forward Series - #4

3-5 PLAYERS 15 MIN AGES 10+

5.3" x 5.3" x 1.6" (12 per case)

*The three reels are spinning, tension is rising. Is this a new high score?*

In **FORTUNE** you try to receive more points than the other players, except high numbers are not enough! You also need the *right* bonus points to be victorious!

You start a **Fast Forward™** game without reading a rules booklet in advance! Just grab some fellow gamers and discover the 9 rules while playing.

The **Fast Forward™** Series uses the new **Fable Game™** system introduced in **Fabled Fruit**: With the presorted deck of cards you will discover all cards and rules as you play. It will take 10-15 games of **FORTUNE** before your group has explored the entire system. It can then be reset and played again by the same or different groups!

**FORTUNE** is the fourth game in our **Fast Forward™** Series.
