Star Trek HeroClix Away Team: The Next Generation OP Kit

HeroClix Release Day Organized Play (OP) Kits contain everything a retailer needs to bring HeroClix players into their store for a release day!

The Star Trek HeroClix Away Team: The Next Generation OP Kit includes*:

- Three (3) Samuel Clemens Limited Edition Prize Figures
- Five (5) copies of a double-sided 24" x 36" HeroClix map
- Release Day Instruction Sheet with Tournament Format

Release Day Organized Play (OP) Kits -

HeroClix Release Day OP Kits contain everything a retailer needs to bring HeroClix players into their store to celebrate the release of a new HeroClix set including new limited edition figures or game elements not found anywhere else! Each Release Day OP Kit ships with the new set so stores can run events on release day. Stores should schedule their HeroClix release day events in the WizKids Info Network (win.wizkids.com).

Each Release Day OP Kit includes prizes to host a release day event, with a prize for 1st place, a Fellowship award and a Flex Award (Flex Awards are used at the store's discretion so long as the use is within the context of the WKPPLA for the expressed purpose of supporting in-store play).

Stores are not required to have a volunteer or judge present to run an event; store owners may ultimately determine how events in their store will run and how the kits are used so long as they are used to support in-store play.

RETAILERS PLEASE NOTE: Star Trek HeroClix Away Team: The Next Generation OP Kits are only available while supplies last!

Star Trek HeroClix Away Team: The Next Generation OP Kit is covered by the WizKids Promotional Product Licensing Agreement and is marked "NOT FOR RESALE."

Exemptions are determined based on a store's demonstrated player base size as indicated in their event history in the WizKids Information Network. If you wish to request additional OP kits, please speak with your sales representative.

Maximum 3 OP Kits per store unless store requests and receives exemption based on their WizKids Info Network history and product order history.
