YU-GI-OH! METAL RAIDERS

DISTRIBUTOR BOOSTER FACT SHEET

ITEM ORDER NUMBER: 86056

Metal Raiders was the second Yu-Gi-Oh! TRADING CARD GAME booster set ever released! For years, you could only get your hands on these coveted packs as part of the Legendary Collection, but now, just in time to celebrate the 25th anniversary of the card game, they're being made available as standalone booster packs!

This set is famous for introducing many incredibly powerful Trap Cards, including Yugi's **Mirror Force** and the first wave of Counter Trap Cards: **Horn of Heaven**, **Magic Jammer**, **Seven Tools of the Bandit**, and, you can't forget **Solemn Judgment**! Of course, *Metal Raiders* didn't leave Duelists defenseless against these powerful cards – **Heavy Storm** also made its debut in this set! This printing will feature both Secret Rares from the set.

The complete *Metal Raiders* booster set is 144 cards:
