

# YU-GI-OH! BATTLES OF LEGEND – RELENTLESS REVENGE

DISTRIBUTOR BLISTER FACT SHEET

ITEM ORDER NUMBER: 83817

*Battles of Legend: Relentless Revenge* combines often-requested cards from each of the *Yu-Gi-Oh!* animated series, printed for the very first time, including new cards from *Yu-Gi-Oh! VRAINS*, high-demand cards used in current competition, and cards targeted at Duelists who want to play with Deck strategies and themes released over the past year and into the next one!

*Battles of Legend: Light's Revenge* dug into the archives of cards Duelists thought would never see the light of day and produced the Timelords! These monsters from the climax of *Yu-Gi-Oh! 5D's* proved to be an instant hit, and there are more where they came from in *Battles of Legend: Relentless Revenge* including the 4000 ATK and DEF **Sandaion, the Timelord!**

The “Number” monsters that debuted in *Yu-Gi-Oh! ZEXAL* are a hit with Duelists and collectors alike, and *Battles of Legend: Relentless Revenge* brings more of them to your Dueling table! Duelists regularly find room for **Number 38: Hope Harbinger Dragon Titanic Galaxy** from *Premium Gold: Infinite Gold* for its Spell negation abilities, and now it's getting a “Galaxy-Eyes” counterpart that negates monster effects!

To top off this 105-card set, return to the original *Yu-Gi-Oh!* animated series and experience the power of a card so overwhelming, it was never meant for our hands! You can find all this, plus cards from *Yu-Gi-Oh! GX*, *5D's*, and *VRAINS*, and more in *Battles of Legend: Relentless Revenge*!

Each 5-card pack contains 4 Ultra Rares and 1 Secret Rare.
