

# YU-GI-OH! 2017 MEGA-TINS

DISTRIBUTOR FACT SHEET  
ITEM ORDER NUMBER: 83390

The *2017 Mega-Tins* serve up our annual holiday season treat of some of the year's most popular cards! Each Tin includes 3 x 16-card Mega-Packs containing the top cards from 2016 and 2017's booster sets *Shining Victories*, *The Dark Illusion*, *Invasion: Vengeance*, and *Raging Tempest*. As always, each Mega-Pack will contain 1 card of each foil rarity (so 1 Secret Rare, 1 Ultra Rare, and 1 Super Rare in each pack) and all cards included will be in their original booster set rarity.

Each *2017 Mega-Tin* will also include additional variant cards (non-randomized), all encased in an awesome metal storage case with brand-new art. Duelists can choose one of two tins, showcasing either the dual nature of Yami Yugi and Yugi Muto, or the singular awesomeness that is Seto Kaiba!

Each *2017 Mega-Tin* is sold separately.

Keep watch on the Yu-Gi-Oh! TRADING CARD GAME product page as we unveil the variant card that will appear in this year's Tins! <http://www.yugioh-card.com/en/products/tins.html>
