ITEM ORDER NUMBER: 82227

The King of Bling returns!

Finishing the job started by the hugely popular *Premium Gold* set, the new *Premium Gold: Return of the Bling* follows through with updates and upgrades to dozens more cards from the golden age of Yu-Gi-Oh! up to the present day!

UPDATED! 22 previous Gold Rare cards from past Gold Series have been revised to our new-and-improved advanced Gold Rare technology. More shine than ever before!

UPGRADED! 48 top cards released with Gold Rare technology for the first time. Dozens of cards spanning the years, from all 5 pieces of Exodia to **Number 101: Silent Honor ARK!**

BRAND NEW! 21 new cards, all in Gold Secret technology, including cards for Blackwing, Stardust, and HERO Decks! Gold Rares enshrine Duelists' favorite cards in immortal Gold color: Gold card frames, Gold art boxes frames, Gold text box frames, Gold card names, and (for monsters) Gold level stars. Gold Secrets take all of that and add a Secret Rare Card's textured foil pattern on top of it!

Each 5-card *Premium Gold* mini-pack contains 2 Gold Secrets (each a brand new, never-before-released card). Each mini-pack also has 3 standard Gold Rares (1 upgraded prior Gold Rare, and 2 new Gold Rares that are blinged out for the first time ever)! Each *Premium Gold: Return of the Bling* box contains 3 mini-packs, for a total of 15 cards: 6 Gold Secrets and 9 Gold Rares.
