LEGENDARY DUELISTS: SYNCHRO STORM

DISTRIBUTOR BOOSTER FACT SHEET

ITEM ORDER NUMBER: 85375

The winds of victory are swift and sure! *Legendary Duelists: Synchro Storm* powers up three strategies used by Duelists that specialize in WIND monsters!

First, appearing in *Yu-Gi-Oh! ARC-V*, Yugo's "Speedroid" monsters excel at quick, consecutive Synchro Summons! Start off with Summoning his signature monster, **Clear Wing Synchro Dragon**, then use the rest of your Speedroids to upgrade it into more advanced forms like **Crystal Wing Synchro Dragon** or even a brand-new WIND Synchro Dragon!

Originally released as videogame promotional cards, Sherry LeBlanc's strategy is resurrected and revolutionized in *Legendary Duelists: Synchro Storm*! Hailing from *Yu-Gi-Oh! 5D's*, Sherry's cards specialize in fielding a single powerful WIND Synchro Monster. Her ace monster from the anime, **Chevalier de Fleur**, is a Level 8 WIND Synchro Monster that prevents your opponent from blocking your wind of victory by negating the opponent's Spell or Trap cards during your turn.

Finally, Lulu's Lyrilusc strategy from *Yu-Gi-Oh! ARC-V* flies back in with the new support cards! This strategy stacks up Level 1 Winged Beasts to Xyz Summon Rank 1 Xyz Monsters with as many Xyz Materials as possible. You can even combine them with "Tri-Brigade" cards from *Phantom Rage*, *Blazing Vortex*, and *Lightning Overdrive* to create a cool hybrid strategy!

Topping it all off, *Legendary Duelists: Synchro Storm* will include a hard-to-find Ghost Rare version of one of its coolest cards!

The complete *Legendary Duelists: Synchro Storm* booster set contains 56 cards:

9 Ultra Rares

8 Super Rares

10 Rares

29 Commons

1 card from the set will also appear as a Ghost Rare.
