LIGHTNING OVERDRIVE

DISTRIBUTOR BOOSTER FACT SHEET ITEM ORDER NUMBER: 85279

Lightning Overdrive is poised to shock the Dueling world and reinvigorate not one, but TWO beloved monsters from the worlds of the *Yu-Gi-Oh!* animated series!

First, **Number 39: Utopia** from *Yu-Gi-Oh! ZEXAL* gets a brand-new version of its upgraded **Number C39: Utopia Ray** form! Alongside comes a new suite of supporting cards that help you Summon Utopia as well as fetch “ZW” monsters and “Rank-Up-Magic” Spells out of your Deck.

After that, *Lightning Overdrive* rewinds time to *Yu-Gi-Oh! 5D's*, and introduces a new upgraded form of Akiza's beloved **Black Rose Dragon!** This monster will also be joined by a small retinue of “Rose Dragon” related cards to aid your Synchro Summons.

But it doesn't stop there! A brand-new strategy invites all Duelists to explore the excitement and mystery of a monster-themed amusement park, and the story of **Fallen of Albaz** that began in *Rise of the Duelist* continues onward.

Lightning Overdrive also features the following:

- More cards for the “War Rock” World Premiere theme introduced in *Blazing Vortex*.
- New cards for strategies introduced in *Phantom Rage*, *Genesis Impact*, and *Blazing Vortex*.
- New monsters for older fan-favorite themes.
- And more!

The *Lightning Overdrive* booster set contains 100 new cards:

50 Commons
26 Super Rares
14 Ultra Rares
10 Secret Rares

*Set contents subject to change.
