Ghosts from the past return to the fray in November's *Phantom Rage* booster set!

Phantom Rage doesn't just remaster popular themes from the past, it unites them as well. You can find new Phantom Knight and Raidraptor cards, but you can also find new cards that are Phantom Knights AND Raidraptors! You can play these cards in their own Decks, but you can also create your own hybrid Deck that takes the best of each theme to max out your Xyz Summoning power.

You can also find a new theme based on Fusion Summoning that excels at performing consecutive Fusion Summons. Normally, to Fusion Summon you need to use a Spell Card for each Fusion Summon you perform along with multiple separate cards to use as materials, but this brand-new theme is anchored by a powerful Spell Card that Summons up to 5 Tokens you can use for Fusion Summoning...and then lets you Fusion Summon twice consecutively!

What else can you expect from *Phantom Rage*? How about...

- 17 World Premiere cards, the most ever in a single booster set!
- The long awaited crossover between "U.A." and "F.A."!
- New Ritual, Fusion, Synchro, Xyz, and Link Monsters!
- More cards to enhance strategies introduced in *Rise of the Duelist*!
- And more!

The *Phantom Rage* booster set contains 100 new cards:

50 Commons
26 Super Rares
14 Ultra Rares
10 Secret Rares
