The Yu-Gi-Oh! TRADING CARD GAME celebrates the launch of the newest generation of the Yu-Gi-Oh! TV series with the *ARC-V Starter Decks*! Based on the two main characters in the series, Yuya and Declan, each version of the 41-card Deck comes in a LIGHT or DARK theme.

Yuya's exhilarating strategy keeps audiences on the edge of their seats as he deftly parries his opponent's attacks before turning the Duel on its head with **Odd-Eyes Saber Dragon**! The devious Declan takes the opposite approach, attacking as early and often as possible and destroying everything in his path with his **D/D/D Dragon Overlord Pendragon**! You can't Duel alone, so these new Starter Decks are designed to help friends, siblings, or classmates learn to Duel together. Each version of the 41-card Deck features several of that character's favorite cards and is tuned to teach new Duelists how to Duel right out of the box.

Beginning Duelists will be Dueling friends in style with the help of 5 Shatterfoil Cards, a cool, shattered-glass style rarity, and 1 brand new Foil Card that has never been seen before!

Each *ARC-V Starter Deck* contains 35 Common Cards, 5 Shatterfoil Cards, 1 Foil Card, 1 Beginner's Guide, 1 Dueling Guide, and 1 Game Mat.
